PRESENTATION MANAGEMENT INDIVIDUAL (69)

KEY

Description

Assess use of current desktop technologies and software to prepare and deliver an effective multimedia presentation.

Topic

Students have many choices of how to augment their education experience by participating in sports, clubs, theater, music, part time work, and volunteering for organizations. You are to develop a presentation that highlights the activities and organizations you and your friends' experience. You should provide a general overview and then highlight *one* activity to use as a detailed example of the benefits of such participation.

Some things to consider:

- Clubs and organizations have many components
- Highlight how these experiences provide value to students in preparing for business

JUDGING PROCEDURE

- Contestant will be introduced by contestant number.
- As a team of judges, formulate two to three questions to ask at the conclusion of the presentation. Be sure to ask the same questions of each contestant.
- The length of set-up will be no more than five (5) minutes.
- Set-up will be stopped at five (5) minutes to begin the presentation.
- The presentation will be no less than seven (7) and more than ten (10) minutes.
- The presentation will be stopped at ten (10) minutes and will be followed by judges' questions no longer than five (5) minutes.
- Excuse contestants upon completion of answering judges' questions.
- **There can be no ties in the top ten (10) contestants.** It is the responsibility of the judges to break any ties
- Administrator will fill out ranking sheet prior to dismissing the judges
- If more than one (1) section is necessary, finalists will be determined by selecting an equal number from each section
- Give administrator all Judges' Rating Sheets, Judge Evaluation Sheets and contest materials
- No audience is allowed in the contest room
