PRESENTATION MANAGEMENT TEAM (70)

KEY

Description

Assess use of current desktop technologies and software to prepare and deliver an effective multimedia presentation.

TOPIC

Employers are always looking for the best talent available to fill their key positions. They normally try to add people that can advance within their business and can develop into leadership roles. Develop a multi-media presentation that could be shown to businesses promoting the values and experiences Business Professionals of America members gain as a result of their involvement and how these experiences set them apart from the competition.

You should include but are not limited to:

- What are the benefits of hiring BPA members?
- What experiences have BPA members gained that helps prepare them for a key position?

JUDGING PROCEDURE
